

Dance Deepening & Leaders Training 2017

Seven Generations: Nurturing the Seeds

Memorial Day weekend, May 26-29, in rural North Central MA

Guided by Murshida Halima & Murshid Abraham Sussman

The **Walks and Dances of Universal Peace** offer us opportunity for personal and planetary transformation. *"Although we seem to be in a world of song and dance, we are most concerned with Peace on Earth"* Murshid Samuel Lewis.

Singing and moving together towards the One, we practice breath, rhythm, sound, listening, and heart awareness. Dancing our prayers, and attuning to nature, we **celebrate the Sacred**.

All Lovers of the Dance are Welcome; Dancers, Leaders, and Musicians. Together we cultivate the ground of our shared future. **Dance Leaders and Mentors** are invited to deepen in the Elements of Mastery and further the fine art of Dance leading and transmission.

We meet in the spring glory of rural North Central Massachusetts. The Dance yurt, farmhouse, barns, and organic gardens abut acres of conservation land, lake and waterfall. Accommodations include shared sleeping rooms in the house and finished barn, 2 cabins, and easy soft camping sites. Everyone helps with meals and cleanup.

Halima and Abraham are senior mentor teachers for the Dances of Universal Peace and the Sufi Ruhaniyat. Both caught their love of the Walks and Dances directly from Murshid SAM.

The retreat begins 7:30 pm Friday eve and closes Monday 4pm.
