

Dance Deepening & Leaders Training 2018

Transmission & the Living Spirit: Towards 7 Generations

Memorial Day weekend, May 25-28, in rural North Central MA

Guided by Senior Mentors Halima & Abraham Sussman w mentors Malika Salazar (Columbia/USA), Prem (New Zealand), and Sally Amrita (New Zealand)

The **Walks and Dances of Universal Peace** offer us opportunity for personal and planetary transformation. ***"Although we seem to be in a world of song and dance, we are most concerned with Peace on Earth"*** Murshid Samuel Lewis

This year marks the 50th anniversary of Murshid SAM first sharing the Walks and Dances. We attune to the living magnetism that continues to infuse this beautiful practice. Singing and moving together Towards the One, we practice breath, rhythm, sound, listening, and heart awakening. Dancing our prayers, we **celebrate the Sacred**.

All Lovers of the Dance are Welcome. Together we cultivate the ground of our shared future. This is a deepening opportunity for **all Dancers** and a training opportunity for **Dance Leaders**. Dance Leaders are invited to deepen in the Elements of Mastery and further the fine art of Dance transmission.

We meet in the spring glory of rural North Central Massachusetts. The Dance yurt, farmhouse, barns, and organic gardens abut acres of conservation land, lake and waterfall. Accommodations include shared sleeping rooms in the house and finished barn, 2 cabins, and easy soft camping sites. Everyone helps with meals and cleanup.

Halima and Abraham are senior mentor teachers for the Dances of Universal Peace and the Sufi Ruhaniat. Both caught their love of the Walks and Dances directly from Murshid SAM.

The retreat begins 7:30 pm Friday eve and closes Monday 4pm.
